Chair Report

January 3, 2010

Hello PCASC

Hello every one and happy new years! First we would like to thank every one for taking the time and showing up this month.

The vice chair and my self have put a few things on this months agenda for open discussion that we feel this area may want to talk about. We know that we have a lot of business to get done today for but at the same time we have very important things that we need to go over so we ask that every one to please stay seated at all time and no cross talking. This helps the business move along and stays on track. We all so ask that when it is your turn to speak please stand up and do not repeat what others have already said.

I did attend New Years Eve, Lakefest

I would also like to thank Lela and Tina for the service work that they have gave to our area.

Yours in Service

PCANA Vice-Chair Report 1/3/10

Hello All,

I noticed some typos and inconsistencies in the guidelines and I have cleared them up and sent them to the web servant. Also I attended the Winter Winners business meeting at the request of our Pierce County Liaison. They have some financial concerns and they wanted me there so the ASC can be fully aware of their status. I will not go into too much depth about this since they will be giving their own report shortly. In other news I attended the Lakefest committee meeting and the Circle of Friends and South Hill NA business meetings with nothing more to report than my attendance. And lastly, in light of the current nominations for vice chair I must say that many of you know that I am in school right now and preparing for potential transfer to the UW. So potentially this time next year I will be attending school and living in Seattle. I have not yet been admitted to the U and I won't know for certain for a couple of months but I would rather the area be prepared for something that doesn't happen rather than be unprepared for something that does happen. I would also like to say that I love serving this area as vice chair and if voted back in today I have every intention to successfully complete my term, but I would be doing the area a disservice if I spent this year letting people believe that I would be taking the nomination for the chair position next January. I know that there are plenty of members that are experienced and qualified for the chair position. So it's never too early to begin preparing for this change.

Yours in Service,

Peter C.

Secretary Report December 2009

My expenditure for the copying and scanning was \$139.81. I am returning \$10.19. I would like to report that our C&E officer turned in the WNIRNA C&E sub committee minutes. The pages were a total of 17 pages plus his report. By this being added to the PCANA minutes for December it cost our area ~~\$150~~ of my \$150 budget this seems very irresponsible to me. I am to archive and disburse every document that I receive at ASC. \$ 24.00

Happy New Year Eric S.
